

TALENT AGENCY SCHEDULE OF FEES

Fairy Forest, Inc.

The maximum rate of fees due Fairy Forest, Inc. for services rendered to the artist is fifteen percent (15%) of the total earnings paid to the artist managed by Fairy Forest, Inc., unless the fees due to Fairy Forest, Inc. are paid directly by the producer, and the producer is paying over the fifteen percent (15%), at which time Fairy Forest, Inc. will retain the full amount.

“If any controversy arises between the parties, including one as to liability for the payment of fees, the parties involved shall refer the matter in dispute to the Labor Commissioner for hearing and determination as provided in Labor Code section 1700.44, unless such controversy can be handled in accordance with the provisions of Labor Code section 1700.45.”

(California Administrative Code section 12003.5)

“In the event that a talent agency shall collect from an artist a fee or expenses for obtaining employment for the artist, and the artist shall fail to procure the employment, or the artist shall fail to be paid for the employment, the talent agency shall, upon demand therefore, repay to the artist the fee and expenses so collected. Unless repayment thereof is made within 48 hours after demand therefore, the talent agency shall pay to the artist an additional sum equal to the amount of the fee.”
